

WYRA Parent Committees

WYRA depends on the support of our parents for a successful rowing season. Parents are asked to join 1 Head of the Christina Regatta Committee and at least 1 Fall-Spring Parent Committee each year. Some committees need only a few workers; a few need many. Because committees will be filled on a first come first serve basis it is recommended that you sign up for a committee as soon as possible. When both parents sign up to help please indicate which parent is signing for a committee.

We'll have a Parent Committee meeting in August to discuss committee functions and begin to plan for the Head of the Christina Regatta and will e-mail you with a date and time.

If you are unable to serve on a WYRA Parent Committee please contribute \$200.00 to WYRA for the year.

Name(s): _____ E-mail _____
